GEORGE WOOLF AWARD HONORS OUTSTANDING JOCKEYS

Since 1950, Santa Anita Park has presented the annual George Woolf Memorial Jockey Award to honor the memory of one of the greatest Thoroughbred race riders of all time. It is prized as one of the most prestigious awards in sports. The Woolf Award honors riders whose careers and personal character earn esteem for the individual and the sport of Thoroughbred horse racing. The trophy is a replica of the full-size statue of George Woolf which was created through donations by the racing public after his death.

The statue of George Woolf and a life-size sculpture of Seabiscuit, the great Thoroughbred who was ridden to victory by Woolf in the Pimlico Special and Hollywood Gold Cup, have places of honor in and in close proximity to the Santa Anita walking ring. There, the likenesses are admired daily by thousands of racing fans.

Jockey George Woolf was born in Cardston, Alberta, Canada, on May 31, 1910. He began riding at small tracks in Canada and Montana. His first big victory was in the 1933 Agua Caliente Handicap on Gallant Sir, but the year before that he scored with Hygro in the Capital Handicap at Laurel.

Known as "The Iceman," Woolf will go down in modern turf history as one of the greatest stakes riders of all time. He won the Belmont Futurity three straight years, with Occupation (1942), Occupy (1943), and Pavot (1944). He also had a similar record in the American Derby at Washington Park, winning with Alsab (1942), Askmenow (1943) and By Jimminy (1944). He won the Hollywood Gold Cup with Seabiscuit (1938), Kayak II (1939) and Challedon (1940) . . . the Havre de Grace Handicap with Seabiscuit (1938) and Challedon (1939 and 1940).

He also won many other famous races, including the first running of the Santa Anita Handicap with Azucar, Santa Anita Derby, Preakness, Jockey Club Gold Cup, Arlington Handicap, Lawrence Realization, Hopeful, Hollywood Derby, Hawthorne Gold Cup, Chesapeake, Dixie, Arlington Classic, Coaching Club American Oaks, Bay Meadows Handicap and Brooklyn.

Woolf also was aboard the winner in two of the most memorable match races in history. He outmaneuvered Charlie Kurtsinger on War Admiral to win the Pimlico Special aboard Seabiscuit in 1938. Earlier that same year, Woolf piloted "The Biscuit" to a nose decision over Ligaroti, stalwart South American star, in a special race at Del Mar.

Woolf was a friend to all horsemen. He endeared

himself to the little guy in racing and would give a friend's cheap plater just as good a ride as he would a stakes horse for a fashionable stable. Over 19 years, Woolf was 721 times first, 589 times second and 468 times third out of 3,784 mounts for an outstanding win percentage of .19. His mounts earned \$2,856,125.

Among racing fans, Woolf's presence on a horse was practically a guarantee that the animal would

be given the best possible ride. Woolf enjoyed the confidence of the man in the grandstand as no other jockey ever had. His coolness during a race was legend, hence, the nickname "The Iceman."

Woolf was blunt of speech and honest to a fault in his comments on the racing scene. After riding Whirlaway to victory in the 1942 Massachusetts Handicap, the win which gave the Calumet Farm star the money-earning lead over Seabiscuit, he dismounted and was asked by reporters, "Is Whirlaway the greatest horse you ever rode?" Woolf didn't bat an eyelash as he picked his saddle off Whirlaway and answered, "Seabiscuit is the greatest horse I ever rode!"

Death rode in the saddle with George Woolf during the running of the fourth race at Santa Anita on Jan. 3, 1946. He fell off W. W. Naylor's Please Me rounding the clubhouse turn, struck the ground head first and did not regain consciousness before he died the next morning at St. Luke's Hospital in Pasadena. Brain concussion was given as the cause of death.

SANTA ANITA PARK: THE HOME OF SEABISCUIT

Owner Charles S. Howard and Seabiscuit.

Seabiscuit has long ago ridden off into the sunset, but thanks to the best-selling book, "Seabiscuit: An American Legend," and the subsequent Universal Studios film, "Seabiscuit," the horse that captured the fancy of the American public some seven decades ago has returned to national prominence.

"Seabiscuit," much of which was shot at Santa Anita prior to the 2002-03 winter/spring meeting, made an auspicious film debut on July 25, 2003, receiving glowing reviews from critics and a heart-warming response from movie-goers.

A bronze statue of Seabiscuit adorns the center of the walking ring at Santa Anita, where Seabiscuit raced 11 times in his storied career of 89 starts. Understandably, Santa Anita is proud to be known as the "Home of Seabiscuit."

Santa Anita offers free tram tours from 8 a.m. to 11 a.m. on weekends only to Barn 38, where Seabiscuit was housed during his frequent stays at the track. Everyone taking the tram ride receives free Seabiscuit buttons that read, "Santa Anita, Home of Seabiscuit." Seabiscuit died

at age 14 in 1947 at Ridgewood Ranch near Willits, CA.

Two Hall of Fame jockeys, Gary Stevens and retired Chris McCarron, had prominent roles in the movie. McCarron was consultant on the film and portrayed War Admiral's jockey Charley Kurtsinger in the 1937 Triple Crown winner's match race with Seabiscuit.

Stevens made his acting debut as jockey George (The Iceman) Woolf, who died in a riding accident at Santa Anita in the fourth race on Jan. 3, 1946. Since 1950, Santa Anita has presented the annual George Woolf Memorial Jockey Award to honor the memory of one of the greatest riders of all time. A statue of Woolf has a place of honor near the Seabiscuit sculpture at Santa Anita.

It was at Santa Anita that Seabiscuit climaxed his legendary career, winning the 1940 Santa Anita Handicap in his final race. He had finished second in two earlier runnings, beaten a head both times, behind Rosemont in 1937 and Stagehand in 1938. Seabiscuit carried 124 pounds in 1937, spotting Rosemont 10 pounds, and was burdened with 130 in 1938, giving Stagehand 30 pounds.

According to one eyewitness account, Seabiscuit's finest effort came in defeat.

"The best race I ever saw a horse run was the day Stagehand beat Seabiscuit a nose (actually a head) in the Santa Anita Handicap," said 82-year-old trainer Leonard Dorfman. "That was a magnificent race. Seabiscuit was kind of my hero back then. I thought he was the greatest thing alive."

SANTA ANITA'S HISTORICAL HIGHLIGHTS

Although the modern Santa Anita Park became a reality in 1934, the 2019-20 season marks its 83rd year of operation, with World War II having stilled Thoroughbred racing throughout most of the United States during the early 1940s. The names of its historic horses and humans may have changed during its seven decades of racing, but Santa Anita's prominence in the sport has remained constant. Looking back:

Although Santa Anita Park officially opened on Tuesday, Dec. 25, 1934, the inspiration for Dr. Charles H. Strub's racing showplace took form very nearby on another national holiday 27 years earlier.

Elias Jackson (Lucky) Baldwin, who had acquired Rancho Santa Anita encompassing much of the San Gabriel Valley in 1875, opened the original Santa Anita Park on Thanksgiving Day, 1907. It was Lucky Baldwin's final monument to himself: his own racetrack.

With a one-mile oval and an elaborate grandstand with triple spires, the original Santa Anita Park housed as many as 1,200 horses, but passed into history when Baldwin, the memorable California pioneer, died on March 1, 1909. Racing also died in California. It wasn't reborn until after the passage in 1933 of a bill to legalize pari-mutuel wagering in the state.

Baldwin's Santa Anita racecourse had stood on what now is Arcadia County Park. The new Santa Anita Park rose nearby after the Los Angeles Turf Club, Inc., was organized and purchased part of Baldwin's estate. The force behind the Santa Anita's founding was Doc Strub, who guided the track's destiny until his death in 1958.

Santa Anita's opening on Christmas Day, 1934, commenced a 65-day season. A crowd of 30,777 filled the new grandstand on opening day. The next day's Los Angeles Times reported that scores of celebrities including Al Jolson, Clark Gable and Will Rogers "rubbed elbows at the new track." But as the early days became decades, it was the horses and their companions who became the celebrities that made Santa Anita endure.

As B.K. Beckwith noted in his "The Story of Santa Anita . . . The Great Race Place": "The horses were a 'Who's Who' of turfdom – Equipoise, Twenty Grand, Rosemont, Head Play, Top Row, Azucar – the list goes on and on. And that first year was only a sample of what was to follow. Virtually every 'name' horse in America appeared under silks at Santa Anita.

"If it's true that 'money makes the mare go,' the Los Angeles Turf Club pioneered the way in rich purses. It offered the first \$100,000 handicap in the nation, the first \$100,000 Derby, the first \$100,000 race exclusively for four-year-olds, the first \$100,000 grass course classic, and, at one time, the richest race in the world for fillies and mares.

High Glee, a filly owned by C.V. Whitney, won opening day's feature, the \$5,000 Christmas Stakes, but Santa Anita's first Thoroughbred star became a converted steeplechaser named Azucar, ridden by Santa

Anita's first riding star, George "The Iceman" Woolf. Azucar won the inaugural running of the \$100,000 Santa Anita Handicap on Feb. 23, 1935. He was termed an explosive horse. In the first Big 'Cap's winners' circle ceremony, Azucar lived up to his reputation. He knocked down guest-of-honor Anita Baldwin and kicked out the radio cable carrying Clem McCarthy's broadcast across the country.

Seabiscuit, however, would emerge as Santa Anita's early icon with his rise from humble beginnings to become the fans' favorite. Third choice in the 1937 Big

SANTA ANITA'S HISTORICAL HIGHLIGHTS

'Cap, "The Biscuit" lost by a nose to favored Rosemont before winning the closing-day San Juan Capistrano by seven lengths. He won seven major races in the East before returning to Santa Anita in 1938. He already was proclaimed the nation's handicap champion, but conceding 30 pounds to Stagehand, he again lost the Santa Anita Handicap by a nose. Sidelined by a ruptured suspensory ligament in 1939, Seabiscuit returned triumphantly in 1940 to win that year's Santa Anita Handicap. He won the hearts of racing fans with his courageous defeat of stablemate Kayak II, the defending champion. It was to be "The Biscuit's" last race. Santa Anita would suspend racing from 1942 through 1944 because of World War II.

Racing resumed at Santa Anita Park on May 5, 1945. Busher developed into one of racing's great mares that year, and Johnny "The Pumper" Longden continued his rise to winningest rider in history. On a tragic note, Woolf lost his life in a riding accident when thrown by

a horse named Please Me in 1946. The George Woolf Memorial Jockey Award would be established in 1950 and first presented to Gordon Glisson in 1951, then Shoemaker, Longden, Eddie Arcaro and Ralph Neves during the succeeding years.

The post-war boom engendered a Big 'Cap crowd of 83,768 in 1947 when a Chilean-bred gray named Olhaverri rallied from near-last in a 20-horse field. The great horses of this period included California-bred On Trust, a Longden mount. Santa Anita showcased racing's first millionaire, Citation, as well as Noor, who upset "Big Cy" in the 1950 Big 'Cap and again in the San Juan Capistrano. A young rider named Willie Shoemaker won his first of 17 successive Santa Anita riding championships in 1951. In 1952, Hill Gail became the first Santa Anita Derby champion to win the Kentucky Derby. The accomplishment was duplicated by Determine two years later. Then along came Swaps, who won the 1955 Santa Anita Derby before upsetting Nashua in Kentucky.

Round Table and Shoe took the '58 Big 'Cap. And, from out of nowhere in 1958, Silky Sullivan captured the Santa Anita Derby and the fancy of fans with his remarkable running style. Silky Sullivan was breathtaking while coming from 30 lengths off the pace with Shoemaker at the controls. Shoe, however, believes that his finest ride might have been aboard Olden Times in the '62 San Juan Capistrano. Shoemaker nursed the converted sprinter to a wire-to-wire victory in the grass race that covers about 1 3/4 miles. Trainer Charlie Whittingham won his first Santa Anita Handicap in 1957 with Corn Husker. His Big 'Cap wins would span five decades.

A couple of fillies, Bug Brush and Silver Spoon, reached stardom in 1959. Silver Spoon became the second female to win the Santa Anita Derby. Bug Brush won the Las Flores, Santa Monica and Santa Margarita before setting a world record (1:46 2/5) while defeating colts in the 1 1/8-mile San Antonio. That same year, Round

John Henry, ridden by Laffit Pincay Jr., wins the 1981 Big 'Cap by one length over King Go Go and Eddie Delahoussaye.

SANTA ANITA'S HISTORICAL HIGHLIGHTS

Table carried the highest weight of any male stakes winner at Santa Anita. He packed 132 pounds when winning the San Marcos Handicap in American record time of 1:58 2/5 for 1 1/4 miles on turf.

Longden was 59 when he announced that his ride aboard George Royal in the San Juan Capistrano on March 12, 1966, would be his last. George Royal was the defending champion. Even so, he seemed an unlikely repeater. Despite the sentiment for Longden in a crowd of 60,792, his horse was an outsider at nearly 8-1. The magic was Longden beating the odds for his 6,032nd career victory, a record until surpassed by Shoemaker. Lucky Debonair in 1965-66 became the first horse to win the Santa Anita Derby, Kentucky Derby and the Santa Anita Handicap.

Ack Ack earned the first Eclipse Award as Horse of the Year in 1971 after winning the Santa Anita Handicap. Another Whittingham-trainee, Cougar II, took the '71 San Juan Capistrano, becoming a grass star after just failing to catch Ack Ack in the Big 'Cap.

Affirmed set off on his sweep of the Triple Crown races after winning the 1978 Santa Anita Derby. He returned one year later to capture the Strub Stakes and set a track record of 1:58 1/5 in winning the 42nd Santa Anita Handicap.

Spectacular Bid launched his unbeaten Horse of the Year season in 1980 with victories in the Malibu, San Fernando, Strub and Santa Anita Handicap.

Around this time, one of the sport's most durable stars ascended. Between 1978 and 1984, John Henry, who once sold for \$1,100, competed in 20 stakes during the Santa Anita and Oak Tree meetings. He won 12 of them while earning \$1,696,550. One of the best and most popular geldings in American Racing history, John Henry won 11 successive stakes at Santa Anita, including the Santa Anita Handicap twice, three Oak Tree Invitationals and the San Juan Capistrano Handicap. Trained by Ron

McAnally, John Henry was named Horse of the Year in 1981 and 1984.

In 1988, Winning Colors became only the third filly to win the Kentucky Derby after becoming the third filly to win the Santa Anita Derby.

Sunday Silence, the 1989 SA Derby winner, followed that up with victories in the Kentucky Derby and Preakness. Trained by Charlie Whittingham, he would go on to win the '89 Breeders' Cup Classic and be named Horse of the Year.

Although he didn't run in the Kentucky Derby, A.P. Indy followed his win in the 1992 SA Derby with victories in that year's Belmont and Breeders' Cup Classic, enabling him to be crowned Horse of the Year while trained by Neil Drysdale.

Before retiring as the richest Thoroughbred in history, 1987 Kentucky Derby and Preakness winner Alysheba made his mark at Santa Anita. In 1988, Alysheba won the Strub Stakes, the San Bernardino and outdueled Ferdinand in the 51st Big 'Cap.

"The Legend's Last Ride" culminated the extraordinary riding career of Bill Shoemaker on Feb. 3, 1990. After surpassing John Longden's career victory record in 1970, Shoemaker would go on to retire as racing's all-time leader with 8,833 wins, 1,009 stakes, 250 "hundred granders" and more than \$123 million in purse money won over his 41-year career. Following his retirement from the saddle, he would go on to become a trainer at age 58.

Another "Legend" surfaced in 1995. Larry The Legend, purchased by owner/trainer Craig Lewis for \$2,500 at a bankruptcy sale, captured the Santa Catalina and San Rafael Stakes before upsetting previously unbeaten Afternoon Deelites in the '95 Santa Anita Derby. His Cinderella story, catchy name and accomplishments made Larry The Legend a national folk hero.

During the late 1990s, trainer Bob Baffert launched an epic assault on the Kentucky Derby while using the

SA Derby as his linchpin. In 1996, Cavonnier, who Baffert trained for the Walter Family Trust, won the SA Derby at 4-1 before missing by a scant nose to Grindstone in the Run for the Roses. Bob and Beverly Lewis' Silver Charm, trained by Baffert, was second to Free House in the 1997 SA Derby, but provided Baffert with his first Ky. Derby and Preakness wins the following month. The following year, Baffert's Real Quiet was second in the SA Derby to stablemate Indian Charlie, but he turned the tables to win both the 1998 Ky. Derby and Preakness. A nose would separate Baffert from becoming the only trainer to win three successive Kentucky Derbies with his Santa Anita Derby graduates. The gray Silver Charm became a particular favorite of racing fans. "The people's horse," Baffert called him.

In 2003-04, Southern Image became the first horse to win two \$1 million races at Santa Anita's winter/spring meet, capturing the second running of the \$1 million Sunshine Millions Classic before winning the \$1 million Santa Anita Handicap. The Florida-bred trained by Mike Machowsky also won the Grade I Malibu Stakes on opening day, giving him a Santa Anita-meet record of \$1.3 million in earnings.

In 2007, Lava Man became the third two-time winner of the SA Handicap. The previous year he became the first horse to ever sweep the Big 'Cap, Hollywood Gold Cup and the Pacific Classic in the same year.

In 2012, O'Neill's longshot I'll Have Another, who was owned by J. Paul Reddam, parlayed victory in the SA Derby to wins in both the Ky. Derby and Preakness.

In what developed into one of the greatest stories in racing history, trainer Art Sherman's California-bred California Chrome would win the 2014 SA Derby and go on to momentous victories in the Ky. Derby and Preakness. At age 5, "Chrome" won the 2016 Dubai World Cup and he ended 2017 as racing's all-time leading money earner, with more than \$14.5 million in the bank.

Justify would go on to win a one mile allowance here on March 11 by 6 1/2 lengths, en route to a two-length tally in the \$1 million Santa Anita Derby on April 7. FIRST SUPER HIGH 5

The 2007-08 Santa Anita Meet initiated the Super High 5 Wager. The new exotic wager was an instant hit with fans, thanks to its huge payoffs. A \$1 minimum play, the Super High 5 requires bettors to select the first five finishers in exact order in the last race of each day.

FIRST \$1-MILLION PARI-MUTUEL PAYOFF

On Feb. 1, 1986, Craig Phillips of Hacienda Heights, Cal., became the first Santa Anita patron to win over \$1 million on a wager. His winning Pick Nine ticket was worth \$1,906,491.90, a North American record at the time.

SIMULCASTING

Live telecasting of all races from a California track to race books out of state began at Santa Anita on Feb. 6, 1985.

SOUTHERN CALIFORNIA SATELLITE WAGERING

Instituted Nov. 18, 1987. The 1987-88 Winter-Spring meeting was the first to offer fans the chance to wager at satellite locations on Santa Anita races. Santa Anita opened for wagering on Del Mar's races in 1988. In September, 1991, legislation was signed enabling satellite wagering among tracks in Los Angeles and Orange Counties. Opening day of the 1991 Oak Tree meeting, Oct. 2, was the first day on which races at Santa Anita were transmitted to Hollywood Park and Los Alamitos for satellite wagering.

SANTA ANITA MILESTONES AND INNOVATIONS

FIRST FULL-CARD SIMULCAST FROM OUT-OF-STATE

On Jan. 1, 1999, Santa Anita patrons were allowed to wager on full racing cards from out-of-state for the first time.

COMMINGLED POOLS

Out-of-state racing fans were allowed to wager directly into Santa Anita's on-track pools beginning Nov. 17, 1990, when Canterbury Downs in Minnesota and Birmingham Race Course in Alabama became the first interstate common pooling locations. One week later, 14 member race books in the Nevada Pari-Mutuel Wagering Association began accepting wagers into the commingled pools.

ABC WAGERING SYSTEM

All Betting and Cashing computerized wagering equipment enabling all transactions to be made at any window was installed for the 1979 Oak Tree meet. Self-service mutuel ticket vending machines were added in October, 1985.

BLEEDER LIST PUBLICATION

On Feb. 23, 1985, Santa Anita became the first California track to make public Bleeder List information. This information was added to the Official Program beginning Feb. 22, 1987.

PHOTO FINISH

Photo finish cameras were put into operation for the first time at any Thoroughbred track at the 1934-35 meeting.

VISUAL ELECTRIC TIMING

Electrical timing of races with times posted for public viewing was installed for the first time at any track for the 1935-36 Santa Anita meeting.

MAGNETIC CONTROL STARTING GATE

The starting gate with stall doors opening under electrified magnetic control was designed and built for Santa Anita's 1939-40 meeting.

UNIT TOTALISATOR INDICATOR BOARD

A "tote board" of original design and construction, with detailed information on wagering for each horse, was installed for the 1940-41 season.

HEAD-ON VIEWS OF RACES

On April 13, 1985, Santa Anita began providing head-on views of the complete races on closed-circuit television during the running of all races and replays.

TIMING IN HUNDREDTHS

Beginning Oct. 2, 1991, opening day of the Oak Tree meeting, Santa Anita became the first Thoroughbred track in Southern California to electronically time races in hundredths, instead of fifths, of a second.

BROADCAST CENTER

In 1992, Santa Anita opened a \$6-million Broadcast Center, the first of its kind in North America, which provided the track with the ability to produce television shows for sports networks in addition to the daily simulcast signal. The simulcast signal has been produced in HD since the Autumn 2012 season.

MILE-PET SCAN

In December 2019, the Longmile Positron Emission Tomography (MILE-PET) Scan machine was installed at Santa Anita's on-site Nuclear Medicine Facility to aid in the diagnosis of pre-existing conditions in racehorses by prioritizing the health and safety of Thoroughbreds. The machine provides imaging of the fetlock (ankle) joint, the most common area for injuries to occur. The MILE-PET Scan will be joined by a standing MRI machine in early 2020.

EQUESTRIAN

OLYMPIC GAMES

The equestrian sports of the Games of the XXIII Olympiad were presented by Santa Anita from July 29 to Aug. 12, 1984. Crowds totaling 272,420 people viewed the competition, including 40,262 who witnessed the cross-country and endurance phase of the Three-Day Event at Fairbanks Ranch Country Club in Rancho Santa Fe. COMPETITIONOFIDEAS four wide early, angled in leaving the hill, saved ground off the pace, came out on the second turn and four wide into the stretch, rallied under left handed urging to the front in deep stretch and won clear. K P PERGOLISCIOUS (IRE) took the early lead and inched away, set the pace inside, fought back along the fence on the second turn and through the stretch, was not a match for the winner in deep stretch but gamely held second. AMANDINE (GB) stalked just off the rail, bid outside the runner-up into and on the second turn and through the stretch and was edged for the place. COLONIA (FR) saved ground stalking the pace, came out a bit into the stretch, went around a rival nearing midstretch and lacked the needed late kick. PAVED was in a good position chasing the pace between horses, continued between foes through much of the stretch and could not quite summon the necessary response. PRINCESS WARRIOR three deep on the hill, angled in and stalked outside a rival, continued off the rail into the stretch and lacked the needed rally. CALIFORNIA GOLDRUSH four wide on the hill, stalked three deep to the stretch and could not summon the necessary late response. RETRO between foes early, angled in through the stretch the first time, stalked inside, dropped back in the lane and had little left for the drive.

SECRET SPICE stalked the pace inside, came out leaving the second turn and three wide into the stretch, took the lead outside a rival in upper stretch and won clear under urging and steady handling late. MARLEY'S FREEDOM three deep into the first turn, stalked outside a rival, swung five wide into the stretch, came in a bit in midstretch and gained the place. PARADISE WOODS close up stalking the pace outside a rival, came three wide into the stretch and edged a rival for the show. SELCOURT sped to the early lead, set the pace inside then dueled along the rail, inched away again leaving the second turn, came a bit off the rail into the stretch and was outfinished for third. MOPOTISM settled off the rail then a bit off the fence leaving the backstretch, came out leaving the second turn and four wide into the stretch, steadied when crowded in midstretch and lacked the needed rally. EXUBERANCE unhurried and angled in early, settled inside then a bit off the rail to the stretch, drifted in from the whip in midstretch and did not rally. JUST A SMIDGE broke slowly, pulled her way along three deep then moved up and bid outside the pacesetter on the backstretch and into the second turn, fell back some leaving that turn, found the inside in the stretch and gave way.

B. g, (Aug), by Elusive Quality - Etoile Blanc-Brz, by Nedawi-GB. Trainer McCarthy Michael W. Bred by Fazenda Mondesir (Brz).

OHIO (BRZ) had speed between horses then dueled outside a rival, stalked a bit off the rail on the backstretch, bid again alongside the pacesetter on the second turn, took a short lead leaving that turn, inched away in midstretch, drifted out a bit from the whip late and held on gamely. CATAPULT pulled his way between horses, stalked between rivals to the stretch then finished determinedly alongside the winner in the final sixteenth to just miss. DESERT STONE (IRE) broke slowly, saved ground stalking the pace to the stretch, waited off heels in midstretch then came out for room, split horses in deep stretch and edged a rival for the show. RIVER BOYNE (IRE) was in a good position stalking the pace three deep, came four wide into the stretch and continued willingly but was edged for third. HUNT (IRE) had speed inside to duel for the lead, inched away on the backstretch, fought back on the second turn and into the stretch and was outfinished in the final furlong. NEXT SHARES bobbed at the start, stalked three deep then outside a rival on the backstretch, continued three wide approaching and on the second turn and into the stretch and could not quite summon the needed late kick.

SPICED PERFECTION stalked outside then three deep on the turn, bid four wide into the stretch, gained the advantage nearing midstretch and inched away late under urging. HOT AUTUMN dueled three deep then three wide between foes into the stretch and held second. EMBOLDENED saved ground stalking the pace, bid inside into and on the turn and in the stretch and was edged for the place. HAPPY LIKE A FOOL had good early speed and dueled a bit off the rail then between foes into and on the turn and into the stretch, fought back between rivals in midstretch and was outfinished. HEAVENHASMYNIKKI stalked off the rail then inside on the turn, came out some in the stretch and weakened. KELLY'S HUMOR broke a bit slowly, settled just off the rail then inside, came out in the stretch and lacked the necessary response. CATHEDRAL READER close up stalking the pace between horses then outside or alongside a rival on the turn and weakened. DREAM TREE a step slow to begin, went up to duel between horses, fell back on the turn and gave way in the drive.

B. c. (Feb), by Street Sense - Runway Model, by Peticionville. Trainer Baffert Bob. Bred by Summer Wind Farm (Ky). MCKINZIE chased outside then four wide into and on the turn and into the stretch, drifted in and bid outside a rival in the stretch to gain the lead past the eighth pole and drew clear under a brisk hand ride. IDENTITY POLITICS chased just off the rail then between foes leaving the backstretch and on the turn, came out four wide into the stretch and finished well to get up between foes for the place. STILL HAVING FUN saved ground stalking the pace, cut the corner into the stretch, continued inside and edged foes for third. AXELROD steadied in tight early, settled off the rail, went between horses on the turn, was fanned five wide into the stretch and was edged for the show. BOBBY'S WICKED ONE had speed four wide then stalked outside, came three deep into the stretch and was outfinished for a minor share. CALEXMAN went up inside to duel for the lead, inched away on the turn, came a bit off the rail into the stretch, fought back in midstretch, was between foes in deep stretch and was outkicked. NERO duelled between horses then outside a rival, stalked just off the rail on the turn, was between foes again into the stretch and weakened. KANTHAKA chased between horses, steadied in tight nearing midway on the turn, continued just off the rail into the stretch and lacked the needed rally. SOLOMINI settled outside then four wide on the backstretch and turn, was fanned six wide into the stretch and could not offer the necessary late response. MAJESTIC DUNHILL broke a bit slowly, settled inside then came off the rail on the turn and three deep into the stretch and could not offer the necessary late kick. COPPER BULLET stalked inside, steadied between horses leaving the second turn, angled back in and did not rally. AX MAN had speed between horses then stalked between foes and weakened some in the stretch. GREYVITOS stalked off the rail then outside on the turn, came four wide into the stretch and weakened. SEVEN TRUMPETS chased outside a rival then between foes on the turn, dropped back leaving the turn and also weakened. A claim of foul by the trainer of AXELROD against the runner-up for alleged interference into the stretch was not allowed by the stewards, who ruled the incident was not enough to warrant a disqualification.

Frank Mirahmadi - Track Announcer

Frank Mirahmadi, a well-known and popular figure in racing circles from coast to coast, has been named Santa Anita Park's permanent announcer.

Mirahmadi has served with distinction over the last 23 years, with his first announcing job at Hialeah Park, and at several other locales, including Oaklawn Park, Golden Gate Fields, Louisiana Downs, Monmouth Park and Aqueduct, with brief stints at Santa Anita in 2014 and 2016.

Born in Los Angeles, Mirahmadi called his first two races on Dec. 24, 1992 when invited as a celebrity impersonator at Hollywood Park, in which he did remarkably accurate imitations of longtime Santa Anita announcer Trevor Denman as well as Harry Henson, who had served as Hollywood Park's announcer for 24 years. Mirahmadi also played the role of Santa Anita Track Announcer in the hit movie *Seabiscuit*.

Far beyond his ability to make people laugh however, the racing world soon discovered that Mirahmadi was an outstanding race caller by simply being—Frank Mirahmadi.

"Santa Anita Park has been my favorite racetrack since I started attending horse races as a kid in the 70s," said Mirahmadi. "I have vivid recollections of where I sat watching races featuring superstars such as Spectacular Bid, John Henry, Precisionist, Winning Colors, and so many others. There is no higher honor than to be named the voice of what I like to call The Greatest Race Place. I am so thankful for this incredible opportunity."

GIFT BOX stalked outside a rival then off the rail, bid outside the pacesetter into and on the backstretch and second turn, put a head in front leaving that turn and into the stretch, inched away briefly, fought back off the rail in the drive, drifted in late under left handed urging and gamely prevailed. MCKINZIE came off the rail into the first turn to stalk the pace, continued outside a rival leaving the backstretch and on the second turn, went three deep into the stretch, bid outside the winner to take a slim advantage in midstretch, also drifted in and fought back to the wire. MONGOLIAN GROOM stalked a bit off the rail then inside, came out leaving the second turn and into the stretch and bested the others. CAMPAIGN settled outside a rival chasing the pace, came out into the stretch and lacked the needed rally. PRIME ATTRACTION had speed between horses then angled in, set the pace inside, dueled along the rail on the backstretch and second turn and weakened in the final furlong. PRINCE OF ARABIA angled in and saved ground off the pace, came out a bit into the stretch and lacked a further response.

B. f. (Apr), by Quality Road - Akron Moon, by Malibu Moon. Trainer Callaghan Simon. Bred by JSM Equine LLC (Ky).

BELLAFINA four wide into and on the first turn, pressed the pace outside then three deep into and on the second turn, took the lead under some urging nearing the stretch, kicked clear under a vigorous hand ride while drifting inward in midstretch, continued to drift inward in deep stretch under good handling then a long hold in the final strides. FLOR DE LA MAR had speed inside to press the pace, took the advantage into the second turn and dueled along the rail, was not a match for the winner in the drive, came out some in midstretch and was clearly second best. CHASING YESTERDAY had good early speed and gained a slim lead on the first turn, dueled between horses, fought back between the top pair on the second turn and weakened in the final furlong. SLEWGOODTOBETRUE three deep between horses prompting the early pace, chased off the rail into and on the backstretch, dropped back on the second turn and gave way.

RIDING FEATS

Pincay's 7-Win Day Tops Riding Feats

On March 14, 1987, Laffit Pincay, Jr., climaxed Santa Anita's 50th season by riding seven winners in one day for the first time in his career or Santa Anita's history.

Pincay accepted eight mounts on the nine-race card and won with all of them except Bob Back, who finished third in the featured San Marino Handicap.

Bill Shoemaker was the first jockey to win six races in a day at Santa Anita, accomplishing the feat with consecutive mounts on Feb. 23, 1962. There have been 10 six-win days at Santa Anita. Pincay, Sandy Hawley and Darrel McHargue have accounted for two six-win days apiece.
